studiolab.sagemaker.aws

The screenshot shows the Amazon SageMaker Studio Lab homepage. At the top left is the logo with the text "amazon SageMaker Studio Lab". At the top right are links for "Sign in" and "Request account". The main heading reads "Learn and experiment with machine learning". Below this, a paragraph states: "Quickly create data analytics, scientific computing, and machine learning projects with notebooks in your browser." There are two buttons: "Request free account" and "Watch video". At the bottom left, it says "powered by AWS". The background features a large, abstract graphic with overlapping circles and lines in shades of purple, blue, and orange. A smaller version of this graphic is visible at the bottom of the page.
